ASSURANCES BLONDE BLONDE HAIR LIFTING CREAM super lightening cream with shea butter

Specification for lightening and care of hair, in its special formula specific ingredients for hair and other active ingredients combine to give strength and splendor.

The cream lightens up to 4 shades, working in full compliance of the hair fiber, the result is perfectly uniform, full of brilliance and natural reflexes.

The product is based on peptide complex M4 in which the combined action of four peptides on the most sensitized hair ensures the complete reconstruction of the fiber. The capillary structure remains intact while the color pigments penetrate deep into ensuring a perfect uniformity of the result of all lengths. Shea Butter, rich in vitamins A, E and F, leaves hair shiny while it hydrates and softens the hair fiber. Protects hair from pollution and external agents. Its soothing action also acts on the skin making it more supple and hydrated.

method of use : mixed with the oxidizer in a 1:2 ratio

box: 100 ml tube
