PLATINUM BRUSH new conception of brush

Square head is to smooth that to curl your hair

- HEAD SQUARE :

is to smooth that to curl your hair. The smooth side can be used to stretch and straighten the hair while the rounded edges can be used to give volume and curl.

- SETOLE WAVY :

to increase the area of contact with the hair create a better friction and are less slippery on the hair when using a hair dryer allow it to brush in an increasingly uniform and smooth.

- SETOLE POINTED ROUND :

avoid scratching the skin. Grinding and polishing of the tip of each bristle nylon 6.6 to make it round and smooth such as those of a toothbrush.
