COLORIANNE PRESTIGE COLORIANNE PRESTIGE

Its innovative cream formulation ensures a high degree of security, thanks to the presence of natural Phytoltri, that protect the hair and allow to obtain a particularly bright color, able to remain unchanged for longer. Provides effective anti-aging action thanks to Coenzyme Q10 for antioxidant and anti-free radical action that improves the appearance of hair. It's a bright color, bright and natural, thanks to the presence of pigments hi-tech able to reflect the light and enhance the color. Dermatologically tested, non irritant and its use is safe.

Shades available in 79 exciting shades
