VIBRANT COLORING CREAM SOFT

sweet coloring without ammonia

Treatment of ammonia-free coloring cream is extremely effective in terms of coverage, protection, lightness and durability, with full respect for the balance of the hair and scalp. Long Lasting Anti pollution, protects the hair from the aggressions of smog, sun and free radicals and also extract honey for a gentle on hair and skin and an optimal moisturizing power that maximizes the effectiveness of the active ingredients. Micro pure pigments penetrate deeply. For full coverage even of gray hair.

Available in 56 shades.

box: 100 ml tube.
