STRUKTIS ZERO

ammonia-free coloring cream - with shea butter and multivitamins

is a professional hair coloring based on an innovative technology that prolongs the color effect, protecting and strengthening the hair fiber. It is a cutting-edge product that guarantees

- Perfect fit and color uniformity.
- Maximum safety in the results.
- Total coverage of gray hair.
- Extraordinary brilliance.

It interferes with the total respect of the hair due to the absence of ammonia content.

Shades available in 45 shades for stunning fashion divided in the natural, ASH, GOLD, COPPER, RED MAHOGANY, PURPLE, CHOCOLATE, SUPERLIGHTENERS.

method of use : coloring cream STRUKTIS ZERO should be used in dilution 1 +1.5.

box: 100 ml tube.
