ACTIVE POWER color Activator

Fragrant, creamy emulsion suitable for oxidation dyeing and bleaching professional. Creates a protective base to hair from aggressive chemical treatments used in the blend.

method of use:

- 0 (10 volumes): for tone-on-tone coloring to color bleached hair;
- 1 (20 volumes): to cover white hair and lighten by 1 tone;
- 2 (30 volumes): 3 or 4 of lightening tones.
- Booster Bleach (40 volumes): to lighten up to 4 or 5 tones.

package:

- Active Power and 1000 ml bottles of Bleach Booster;
- 250 ml bottle: oxidising emulsion.
