HAIRDRYER RANGE MORE RELAX

welfare for the hairstylist , comfort for customers, magic for your hair

Range More RELAX is the new no- stress hairdryer, dell'hairstylist designed to preserve the health and well-being in the salon.

Features:

- **ACOUSTIC STRESS LESS, MORE SILENCE IN LIVING ROOM** : designed to minimize noise, favors dialogue with the customer, without raising his voice.
- **ELECTROMAGNETIC POLLUTION LESS LESS FATIGUE** : thanks to the technology adopted, Range More RELAX reduces by 97% the emission of electromagnetic waves compared to traditional hair dryer.
- **LESS STRESS JOINTS, LIGHTER AND BALANCED** : the special study for the reduction in weight and ergonomic design provide maximum maneuverability of the unit.
- **HIGH PERFORMANCE, LESS DRYING TIME** : designed to provide air flow, pressure and temperature required by a professional hairdryer innovative.
- **ECO** : made to reduce consumption in just 1900 W without sacrificing performance. Structure and packaging are completely recyclable.
