CRISTAL SPRAY

Protective restructuring ideal for ironing plate. The unique formula allows for bi-component, with a single product, which normally results are achieved with the application of more hair products.

box: 250 ml spray bottle.

OIL GLAZE - modeling, fixative, polishing

Fluid modeling of strong seal. Gives the hair body and decided support, wrapping them with a protective film of high gloss.

package : Spray bottle of 250 ml.

OIL NON OIL - protective, conditioning, polishing

Extracts rich in emollients and moisturizers, hair plays a very thin sheath protecting it from the elements and from the heat of the dryer.

box: 250 ml spray bottle.

HAIR GLOSS - rinse, detangling, anti-static

Used after the hair catches the light and brightens the hair. Make them shine and silkiness without weighing it down. It acts as an antistatic and detangling the hair.

box: 250 ml spray bottle.
