SHINE BRIGHT
LUCENTEZZA BRILLANTE

Brilliant Gloss Spray is a definition that attracts and reflects light to give your hair a beautiful shine. With an infusion of Argan oil, vitamins and antioxidants creates an invisible veil of shine and protects the hair from environmental elements such as sun, salt water and chlorine. Brilliant shine can also be used to enhance color and highlights, adding the perfect touch to any style.

method of use : spray at 25 cm from the hair dry. Allow to dry for 3-4 minutes before touching, so as to allow the tiny beads of oil to dry and seal in them a beautiful unrivaled luminosity. For best results, use as a finishing touch after styling. Here's a tip for your hair : a splash of Moroccanoil ® Brilliant Gloss on the brush also helps to prevent static electricity and frizz. Repeated applications will enhance the effectiveness of Gloss Shiny, especially in the case of thick or wiry hair.
