CLASSIC: LOTION & DRYER BRUSHING

CLASSIC: LOTION PHON & BRUSHING

restructuring antistatic - detangling hair - hard

With its wealth of minerals and vitamins contained in its formulation, plays regenerating and restructuring action on the hair, giving it a straordinaria silkiness and shine. It is ideal as a detangling, antiseptic and anti-static, pre -and post- fold. Does not weigh the hair giving it the proper nourishment after dyes, perms, bleaching and hair straightening. Essential for hair difficult to comb.

method of use to get a basic pre- fold spray the product on damp hair, then proceed to styling in dryer or curlers. As antistatic during the fold, PLURA LOTION spray on the brush, then comb.

box: 200 ml bottle with vaporizer.

MEMORY GEL

LCD flax seeds

The memory effect is the innovative feature of this gel. The extraordinary elasticity and resistance that gives the hair, leaving the hair the natural freedom of movement, without losing the shape defined. The humidity, wind and stress, do not affect the style ensuring the stability of the original form. Gloss, extra- tight, wet look natural and long-lasting are the sure result of this new formula, rich in liquid crystal linseed.

method of use : Apply to dry hair modeling strand by strand.

box: 100 ml bottle with dispenser.
