Acid undulating wave

Formulated to work in the system instead of acid alkaline, green apple scent. Allows you to respect the structure of the hair avoiding traumatic alterations during treatment. The regularity ripple effect also gives the hairstyle a natural difficult to match. The hair is intact and bright, and if dyed, retain unchanged their coloration.

It is available in two versions:

- Ranked # 12 for all types of hair
- Ranked # 13 hair severely discolored, porous and sensitized

box: box for an application
