MINIWAVE

iron triple mini

The new mini iron triple Miniwave is the ideal tool to always carry in your bag : takes up very little space! In fact, its measurements are 174 to 5 cm and its tourmaline ceramic coated pipes have a diameter of 14 mm. Also it is very easy to use : just take a lock of hair, insert it between the two ends of the device, close Miniwave holding the lock in place for a few seconds and the wave is ready!

Technical

- Tubes coated ceramic tourmaline
- Maximum temperature : 200 °
- Tube Diameter : 14 mm
- Dimensions: length 175 cm - width 45 cm
