KEYLISS RELAXING SYSTEM

KEYLISS is a line of products created specifically to straighten hair and to reduce the volume of the scroll can be used both for the application of cold or hot plate.

The line consists of:

- **RELAXING CREAM R1** : for natural hair straightening cream (200 ml tube) ;
- **RELAXING CREAM R2** : hair straightening cream for sensitized / treated (200 ml tube) ;
- **NEUTRALIZING EMULSION** : neutralizing suitable for all hair types. Recreates the texture of the hair leaving it shiny and silky (500 mL) ;
- **STYLER HEAT PROTECTOR** : thermal protector spray (150 ml bottle). Important to always use during the hot ironing.

Protective and restorative, it creates a real barrier against the heat of the plate. Keeps hair hydrated and shiny, it preserves the brilliance and cosmeticità, improving combing.

ironing system KEYLISS (in partolcre RELAXING CREAM and NEUTRALIZING EMULSION) is based on Olive Oil and Hydrolyzed Sericin that make your hair stronger, smoother and easier to comb, keeping them hydrated and protected throughout treatment.
