DAY RICHESSE

tone-on-tone colouring without ammonia

- Rich, natural Reflections;
- brilliant result and visible even in dark bases;
- coverage up to 70% of white hair;
- faithful and consistent result, without overload. The reflection fades away as with shampoos;
- Ionene G Incell + technology that strengthens and protects the hair fiber.

shades: available in 50 shades.

directions for use: pour 50 ml (1 tube) of colouring cream 75 ml Diactivateur Dia Richesse, then add 9 vol. or 15 vol. Depending on the intensity of the desired effect.

Application: apply to dry hair unwashed, apply with a brush or with the bottle; exposure time 20 minutes. Emulsify carefully, thoroughly rinse and finish with a shampoo specific post coloring.

packaging: tube of 50 ml.
