TECHNIC SYSTEM TECHNIC SYSTEM

delicate color without ammonia
TECHNIC SYSTEM is the semi-permanent color without ammonia, which nourishes the hair and enriches them with bright reflections. Provides a perfect coverage of the first white hair and has a very pleasant fragrance.
Its formula is enriched with Lemon and Honey. Honey protects and moisturizes hair, while Lemon is a natural anti-frizz for easy combing.
Natural colors and brilliant, luminous reflections, intense and long-lasting. Pleasant scent.
Shades 22 shades available
method of use : mixing 1:2 (50 ml cream 100 ml milk + detector)
box: 100 ml tube
