### TECHNIC SYSTEM TECHNIC SYSTEM

delicate color without ammonia  
TECHNIC SYSTEM is the semi-permanent color without ammonia, which nourishes the hair and enriches them with bright reflections. Provides a perfect coverage of the first white hair and has a very pleasant fragrance.  
Its formula is enriched with Lemon and Honey. Honey protects and moisturizes hair, while Lemon is a natural anti-frizz for easy combing.  
Natural colors and brilliant, luminous reflections, intense and long-lasting. Pleasant scent.
