delicate color without ammonia

TECHNIC SYSTEM is the semi-permanent color without ammonia, which nourishes the hair and enriches them with bright reflections. Provides a perfect coverage of the first white hair and has a very pleasant fragrance.

Its formula is enriched with Lemon and Honey. Honey protects and moisturizes hair, while Lemon is a natural anti-frizz for easy combing.

Natural colors and brilliant, luminous reflections, intense and long-lasting. Pleasant scent. **Shades** 22 shades available
