KERABOND : RECONSTRUCTION

reconstruction of chemically damaged hair

Enriched with Hydrolyzed Keratin and seven natural active ingredients (such as: Krameria Triandra, Hazel Nut, Walnut, Oak Inglese, Witch Hazel, Bilberry and tormentil), gives the hair shine and manageability. The action takes place in the reconstruction of the hair, where it is generally more damaged chemical treatments such as permanent, bleaching and brightening dyes.

HYDRO- Keratin Shampoo

Reconstructor shampoo and moisturizing. Contains Hydrolyzed Keratin rich in amino acids that bind to the natural keratin of the hair, strengthening them.

AND SHEEN

Polishing Spray gas-free. Eliminates frizz and static electricity from your hair. MULTI-VITAMIN OIL is an oil for the reconstruction of the hair, formulated to be used as an alternative to KERABONDING Mask, enriched with a complex multi-vitamin and anti-oxidant substances that give hair softness and shine.

KERABONDING MASK

It is a nourishing and conditioning mask, with the addition of amino acids of keratin and seven natural active ingredients.

PURE SILK

Eliminates static and gives shine and makes hair silky soft to the touch.
