GREENION PRODUCTS - NATUAL INGREDIENTS

GREENION PRODUCTS - ingredienti naturali

the extract of white tea and sunflower seed oil, hemp seed and aloe vera and jojoba oil d.
The line consists of:

GREENION MOISTURIZING SHAMPOO

Rich formulation for chemically treated hair. An infusion of acid hydrolyzed silk, amino acids and complex nutrients, moisturizes and gently cleanses the hair, leaving it soft and well fed.

GREENION CLARIFYING SHAMPOO

It helps to remove excess deposits of shampoo from your hair. A refreshing blend of eucalyptus and peppermint oil penetrates deep into the scalp to stimulate hair follicles pilliferi and promote blood circulation, while it cleans and purifies the hair.

GREENION MOISTURIZING CONDITIONER

It is an intense conditioner that protects hair from humidity. Formulated with organic complexes and nutrients, strengthens dry and damaged hair.
