HP : PROTEIN HYDRO

line returned for dry hair

HP is a line returned, balancing of the components of the hair structure, particularly suitable for dry hair also due to chemical treatments. Contains a system that interacts with the fibers of the hair : provides moisturizing and protein components that together constitute between 80/95 % of the natural structure of the stem, favoring and enhancing the softness and combability luster.

REMEDY SHAMPOO

cleanser for dry and treated hair

Thanks to the components contained in the botanical exclusive formula Elegy, REMEDY SHAMPOO cleanses while respecting the normal values ??of the scalp, preparing the hair to absorb and integrate most of the next step.

package : 1000 ml bottle.

BALANCER

repair of chemical damage

Remedial treatment of the internal structure of the hair, BALANCER boasts an innovative formula aimed at building a network of protein that binds and retains the nutritional components contributed to the stem. This creates a synergy with Remedy Treatment, which will complete the work of reconstruction.

package : no gas spray bottle of 150 ml.

REMEDY TREATMENT

Restructuring for dry and treated hair

Restorative treatment, highly fortified with lipid components that regulate the elasticity of the stem : means that the strength of protein Balancer and the docility of Remedy Restructuring Shampoo complement the action of the HP line, bringing the hair in its natural state. The pH balanced REMEDY TREATMENT acts as a regulator of the porosity, highlighting instantly pettinabilità and body.

package : 1000 ml bottle.
