CARE LINE - DERMA EXFOLIATING CARE LINE - DERMA EXFOLIATING

for hair with dandruff

Smoothing and balancing against dandruff. This line balances the activity of the skin and free from itching and irritation.

SHAMPOO

A shampoo gentle effect suitable for oily and dry dandruff. Contains Octopirox that creates a soothing effect on the skin and disulfides that regulate the activity of the sebaceous glands.

box: bottle.

TREATMENT

An intensive exfoliating treatment to remove dandruff permanently. Cellulose particles help to remove dandruff without irritating.

box: tube.

LOTION

An exfoliating lotion with liposomes containing essential minerals and Octopirox to restore the natural activity of the skin. The bio- filtered stimulates better hygiene of the skin, preventing the formation of new dandruff.

box: bottle dispenser.
