CARE LINE CARE LINE

ABSOLUTE VOLUME

for normal hair and thin

A line that gently cleanses, creating volume without weighing it down.

SHAMPOO

Contains provitamin B5 and wheat proteins that strengthen the hair structure giving more body. The system also preserves the Color Brilliance intensity and brilliance of colored hair. The complex sealant creates a protective layer that prevents the discoloration of the color during the shampoo.

Package bottle.

KERATIN CONDITIONER Volumizer

A spray conditioner without rinsing. The essential minerals with liquid Fitocheratina give the hair volume, shine and a light hold. The filter Solamer and the extract of sunflower seeds protect the quality of the color from external agents.

Package : spray bottle.
