NUTRY : DRY HAIR

NUTRY: CAPELLI SECCHI

Exclusive

treatment designed to keep perfectly intact and functional keratin structure of the hair, thanks to the ideal nutritional and moisturizing is lacking in the hair brittle, dull and dry.

M | 8 NUTRY microproteins

Protein concentrate designed to strengthen the hair fiber, enhancing the quality thanks to immediate and prolonged hydration. The proteins of Cashmere integrate into keratin hair improving softness resistance. The Water Lily extract strengthens and secures the internal moisture of the hair. Weekly use.

Package : 30 ml bottle in a box of 5 pcs.

S | 8 NUTRY shampoo

Specific shampoo for dry hair, by the powerful moisturizing - nourishing. Proteins Cashmere integrate directly into the hair fiber, restoring optimum moisture levels and leaving hair silky and extremely docile. At the same time the protein extracts of Wheat and Almond strengthen and nourish the hair, moisturizing it for a long time due to the formation of a sheath light and durable. Made from ultra- soft natural surfactants SLS free, hair, after shampooing, are voluminous, soft and shiny. Weekly use.

packaging: bottles of 200 and 1000 ml.

C | 8 NUTRY CREAM CONDITIONER conditioning cream

Nourishing cream for the beauty of hair from the intense moisturizing action, specifically for the treatment of the stems brittle and dry. Cashmere Proteins, Wheat and Almond nourish the hair fiber, while the extracts of Altea and Lily return energy to the hair and deep hydration. Oils of extraordinary shine and silkiness. A unique and fundamental gesture that revitalizes, moisturizes and improves the texture of the hair without weighing it down, restoring their original docility and body. Using weekly

Container: 200 ml tube and 750 ml bottle.
