THE PRODUCTS

The colour is a fundamental tool of consultation and advice within the Salon. Staining products that are offered on the market are very different: it is important, therefore, that even the colour reflects the product being presented. To this end you can achieve a variety of color charts , from simple and inexpensive to folders most sought after colors , in both materials in the forms.

Cartacor in particular produces:

- doors color charts;
- folders;
- ring binders;
- PANTONE;
- tabletop displays and placard;
- , interactive, folder;
- megaboard.

Cartacor designs and develops samples and prototypes , works step by step with customers , providing a real service.
