LOUNGE Modular sofa

The modular sofa Lounge offers many possibilities for the reception and waiting room. This sofa is available in three different versions: the single-seat, two seats and sofa (length 194 cm x 45 cm seat height x 74 cm deep) places which can be combined to create different versions. Modern design is characterized by sinuous curves and offers a unique style of each Hall front desk space. The sofa Lounge is also available as a helmet.
