COLOR.IT - PICKLING

partial or total color correction

DECAPANTE COLOR.IT allows you to easily change color, without affecting the natural pigment or attack the oxidized, leaving the hair soft. No damage you can delete the old color oxidation with 1 or 2 applications, each application decappa 2/3 tones. It contains no ammonia or Whitener, not decappa tone on tone colors and color direct.

method of use : Mix equal parts of A + B. Apply to dry hair, cover with a plastic shower cap and leave on for 15/20 minutes under a heat source. Rinse thoroughly, make a shampoo and apply a lock on the soft detector to verify that all the artificial pigments have been removed. If the color reappears again repeat the application. Dry and apply the new color.

partial correction : If a color looks too dark and you want to lighten the tone, apply the product on damp hair, cover with a plastic shower cap and leave on for 10/15 minutes. When you reach the height of the desired tone and make the shampoo rinse.

box: 150 ml bottle in a box of 2 pcs.
