ELCHIM 3800 SERIES ELCHIM 3800 SERIES

a new icon for hair stylists

PRACTICAL : light, balanced and ergonomic thanks to the innovative side switches dual-use lever or pressure.

EFFICIENT : stretch even the most curly hair and the crease is maintained for a long time.

Silent: 2,000 W of power effective. Air pressure over the 22 mBAR.

ALLY OF HAIR : With version IONIC the action of negative ions and ceramics reduce the drying time by 50%, reduces static electricity in the hair and make them smooth and shiny as silk.

ELEGANT AND EXCLUSIVE : The first hair dryer design designed by the famous Milanese architect Luca Casini. Decorate your hair salon with trendy colors, manufactured with UV coating triple.

THOUGHT FOR THE HAIRDRESSER : the result of collaboration between the house and the famous Milanese Elchim designer Gerry Santoro.

Setting: More than 30,000 trade fairs in Italy and around the world have chosen the version Elchim 3800. Idea and color versions.
