HD- RIBOXIDE - LOSS PREVENTION HD-RIBOXIDE - PREVENZIONE CADUTA

Prepared

cosmetic with great restorative power : tones the scalp, contributes to improving the tropism of the hair bulb and hygiene conditions, gives body and volume to the hair. Valid cosmetic aid in the prevention of external causes that can lead to hair loss. Its formulation contains RNA (element attached to the protein synthesis that takes place in the hair bulb) and is enriched with trace elements, that return to the weakened hair and weakened essential components and precious to the body such as zinc, which plays a vital role as an antioxidant and Copper, that facilitates the process of keratinization of the hair, strengthening it. Extract of Olive Leaves of biological Thermal Water has rather valuable properties antioxidants.

Package: 100 ml bottle
