DKA DIKSON

KERATIN ACTION

hair tonics and strong

Treatment based on the bioactive organic Keratin for the woman who wants to give up her hair and moved them more smooth for a long time without any frizz and completely renovated. The principle of bioactive organic Keratin keeps active the effectiveness of amino acids and proteins that penetrate the cuticle, reconstruct the hair and are fixed to the shaft. The results are visible immediately, and persist over time : buy hair tone and texture, are smooth and soft, and the cuticle is repaired, integrated and protected from external agents.

The line includes :

DKA BOOSTER 1

A shampoo preparer.

DKA BOOSTER 2

Treatment based on the bioactive organic keratin.
