DEKOLOR decolorizing
 Keramine H Professional Dekolor is a professional hair color remover. It is designed to safely and effectively remove artificial hair color without damaging the hair. The product is suitable for all hair types and colors. It is a cream-based formula that is easy to apply and rinse out. The result is clean, natural-looking hair that is ready to be re-colored or styled as desired. The product is available in two sizes: 250g and 500g. The 250g size is suitable for home use, while the 500g size is more suitable for professional use. The product is sold in a box and is available in various retail outlets. The price of the product is 20,000 for the 250g size and 35,000 for the 500g size. The product is a must-have for anyone who wants to remove artificial hair color safely and effectively.
